

ATA PTX-5 GREY AND PINK

ATA PTX-4 BLUE

CODING INSTRUCTIONS.

Press and hold the DOOR CODE button.

Press one of the four buttons on the transmitter for 2 seconds, pause for 2 seconds, then press the same button again for 2 seconds.

Release the DOOR CODE button.

Test by pressing your transmitter button and your door should respond.

If you have any questions you can call **BaXDOORS** on (02)9482-3085.
